MALBEC ROBLE

COLECCIÓN PRIVADA

Varietal Composition

100% Malbec, Uco Valley. Mendoza, Argentina at 1,030 meters above sea level.

Tasting Notes

Intense purplish red color. Plums and red fruits aromas stand out together with notes of violets, chocolate, and vanilla. These last two descriptors are due to its long aging in oak barrels. It keeps fresh fruits, it is a fleshy, long, deep wine of good balance with ripe and sweet tannins on palate. Ideal combination with red meat and haute cuisine dishes. Semi-hard and hard smoked cheeses with long aging.

Maturation

Early April.

Serving Temperature

16-18°C

Aging

12 months in new oak barrels, 50% French oak, 50% American oak.
